WORK EXPERIENCE

Intentship at Kava media

2019 - 2021

Kava media

After Senior High School I had the opportunity to work with Kava media a website design company where I learnt all the basics of web design and development. I studied Html, Css and JavaScript and after a year I accepted as frontend web developer.

2021 - 2022

Frontend web developer

Kava media

After 10 months training at Kava media I had the opportunity to be selected as a frontend web developer . During this time we developed responsive websites for many big companies. We developed websites for Allied oil, Sunpower, Vodafone etc.

Certified Prosthetist and orthotist

2021 - 2023

National Prosthetics and Orthotics Center - Accra

I spent 12 months at Kava media as a frontend web site. The following year I persued a new course in the health service. - prosthetics and orthotics technology at Br.Tarcisius Prosthetics and Orthotics Training College where I had my Diploma in prosthetics and orthotics technology

Prosthetics and Orthotics Technical Officer

2023

National Prosthetics and Orthotics Center -Accra

Currently I'm working at the national Prosthetics and orthotics center as a prosthetic and orthotics technical officer. But I am also a freelance web developer
